Library Services & Resources

Books

The Library & Resource Center book collection includes approximately 5000 print titles emphasizing clinical medicine, nursing and healthcare administration

The Library provides access to over 200 electronic books primarily through Books@Ovid, with additional titles through MDConsult.

Journals

The library receives over 300 current print journal titles. You have access to over 10,000 online journals through online databases like Ovid, OCLC First Search, MDConsult, and Ebsco.

Database Training

Medical librarians are available to teach groups and individuals about Internet searching, advanced database use and finding quality evidence-based information.

Consumer Resource Library

The Resource Library is staffed by a consumer health medical librarian. We offer reference service, information packets, consumer databases, and a collection of books, newsletters, and videos targeted for the general public.

Online Catalog

Resources can be located by author, title, subject, and keyword by searching the online library catalog located on our website.

Remote Access

You are able to access most electronic resources through EZProxy, our remote access software. Call (309) 655-3405 for more information.

Circulation of Materials

After completing a registration card, OSF physicians, staff, UICOMP medical students, and hospital based students may borrow materials. Books, journals, and audiovisuals are checked out for 4 weeks.

Interlibrary Loan

If you need a book, journal article, or audiovisual not located in our collection, a request will be made to borrow this material from another library.

The screenshot displays the OSF (Ovid Saint Francis) Library & Resource Center website. At the top, the OSF logo and name are visible, along with the text "OSF LINKS Library Information Network for Knowledge Services". Below this, the website lists three affiliated libraries: OSF Saint Francis Medical Center Library, OSF Saint Anthony Medical Center Library, and OSF St. Mary Medical Center Library. A navigation bar includes links for "Medical News | Library Services | OSF Affiliates". The main content area is titled "OSF AFFILIATES" and is organized into a grid of resource categories. On the left, a vertical sidebar lists navigation options such as "Home", "Ask A Librarian", "ClinResource@Ovid", "E-Books@Ovid", "Journal List", "Library Catalog", "MDConsult", "Micromedex", "Patient Education", "Remote Access", and "Search the Web". The main grid contains sections for "Answer Clinical Questions", "Online Medical Textbooks", "Nursing Resources", "Databases & Online Full Text", "Evidence-Based Resources", and "Drug Information". Each section lists specific resources and provides contact information for Ovid and MDConsult. On the right side of the page, there are three promotional boxes: "Email the Library" with a link to a virtual reference service, "Need help with your remote access login?" with contact information for Tom (309) 655-3405, and "Call Connie at (309) 655-4784 for journal articles." with contact information for Roy (309) 655-2269. At the bottom right, there is a search box labeled "Search OSF LINKS" and a Google logo.
